CASE MANAGEMENT ORDER NO. 49
REGARDING USE OF PRIOR TESTIMONY

AND NOW, this 20th day of July, 1999, upon conference, the following is ordered:

Unless objections regarding specific depositions or trial testimony are received by the Court within 14 days from the date of this Order, transcripts of the depositions or trial testimony of persons who were current or former employees of a defendant in MDL No. 1148 at the time of their depositions or trial testimony taken in state or federal latex glove allergy cases prior to February 15, 1999, may be used in MDL No. 1148 as if taken in the course of these proceedings, and such use shall be subject to the applicable provisions of the Federal Rules of Civil Procedure and the Federal Rules of Evidence regarding such depositions and trial testimony. If the Court bars the use of the prior deposition or trial testimony of any person pursuant to any such objections, plaintiffs may take the deposition of that person in these proceedings.
